MISSOURI HOUSE OF REPRESENTATIVES
Adam Schwadron

An open letter from the Missouri House of Representatives:

We, the undersigned members of the Missouri House of Representatives, are writing to express our unwavering support for the State of Israel and its right to exist and defend itself. We thoroughly and unequivocally condemn the cowardly and barbaric terrorist attacks perpetrated by Hamas on Israel, her citizens, and American citizens visiting or living in Israel.

As elected representatives of the great state of Missouri, we wish to convey our profound admiration for the enduring strength and resilience displayed by the people of Israel, especially in the face of the recent terrorist attacks. Attacks against Israel are attacks against the civilized world and those that value human rights and democracy. Missouri is home to a vibrant and diverse Jewish community which includes many Israelis. We stand in solidarity with our Jewish residents in an understanding of the central importance of a Jewish state to the security and future of the Jewish people.

The State of Israel has consistently stood as a beacon of democracy and stability in a turbulent region, while also fostering a culture of innovation and entrepreneurship that is an inspiration to the world. We affirm that a strong and secure Israel is not only vital to the interests of the Israeli people but also to global peace and security.

In these trying times, we must stand together and reaffirm our unwavering support for the State of Israel. The challenges facing Israel are significant and we must continue to advocate for the safety and security of the Israeli people. We appreciate the strong partnership and alliance between our great nations and we are committed to strengthening these bonds further.

We look forward to continuing to work to ensure that the United States maintains a steadfast commitment to Israel's security and well-being. Together, we can promote a more peaceful and prosperous future for Israel, the Middle East, and the world. As Israel fights to preserve its way of life, we stand proudly with Israel in its pursuit of a safe and secure future free from terrorism and hatred.

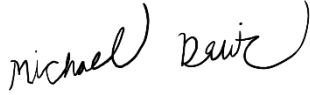

Am Yisrael Chai!
